## Searching the Internet

Search the Internet to find out the answer to each question, find an image to illustrate your answer and note down the web address where you found your answer.

Also look at each website you get your answer from, is the website trustworthy?

### Example: How tall is Blackpool Tower?

<b>Answer:</b> 518 ft 9 ins tall	<b>Image:</b> 	<b>Web Address:</b> <a href="http://www.tourist-information-uk.com/blackpool-tower-pleasure-beach.htm">http://www.tourist-information-uk.com/blackpool-tower-pleasure-beach.htm</a>	<b>Trustworthy:</b> Yes, as the information is from the official website.
