Name _____

Game Cover Design

You will be looking at what needs to be included on a game cover and designing 3 of your own.

1. Please Label
A Title   B Format   C Rating   D Tagline   E Company Logo F Character

2. Why is a game cover important?

_____

_____

3. Find three game, music or movie covers that you really like, paste them into Microsoft Word and say what is so special about them. Amazon.co.uk is a useful place to find them.

4. As a graphics designer you will need to create a number of designs.
Use **Microsoft Publisher** or Word on Office 365 to create **3** game covers.

Each cover should have:
- Rating - pictures can be found at:
  https://pegi.info/what-do-the-labels-mean
- Title, Format & Tagline
- Company logo
- Picture including the main character
