### Cheese on toast

**Equipment – You will need:** Grill, chopping board, butter knife, sharp knife, metal plate

#### **Ingredients:**

X2 slices of wholemeal bread – **metal plate**

50g of cheese - **chopping board**

Choice of seasoning

#### **Method:**

1. Pre-heat the grill to a medium heat – Electric 2 , **this can be adjusted if needed**
2. Place both pieces of bread, side by side, onto the grill tray until toasted
3. Remove the grill tray and place on top of the oven
4. **Carefully** flip both pieces of bread over and add slices of cheese evenly to both pieces of bread.
5. Place the tray back under the grill until the cheese is melted and golden
6. Add required seasoning
