Falcons Class

Online website/platforms that pupils use regularly in class to develop and extend their learning are listed below, you can find your child's username and password in the back of their contact book. Try to complete at least 10 minutes on each site daily.

Websites for Interactive learning;

Times table practice		https://ttrockstars.com/	Remember to add the school postcode ME16 8NL
Bug Club reading books and phonics Science bug		https://www.activelearnprimary.co.uk/	Remember to add the school code Xhfh
Cross curricular games and activities		https://www.purplemash.com/login/	

In addition to these online activity's pupils must complete the following learning activities this week;

English

1. Pick 10 objects in your bedroom or home. Can you think of 5 adjectives to describe them?
2. THINK! How could you use these in a mystery story?
3. Write the opening paragraph for your story (includes at least three of these objects).

Maths

Right Angle Hunt
Go on a hunt around the house for right angles. How many can you find? Draw pictures of ten of these things, label the right angles with the correct 90 degree symbol. Can you find any obtuse or acute angles? Make a list of them all.
Make a tally chart or graph.

Science

Make a list of all the electrical items in your home. Take pictures or draw 5 of your most used items. Are there any items you could stop using to save electricity, highlight these items if you have included them in your list.

Topic

Imagine you are on board the Titanic. You have just heard there is an iceberg ahead. Can you write a postcard or letter to send to your families at home? You may be scared and wanting your loved ones to know you love them. When you have finished, use a slightly wet tea bag to make your postcard look old and vintage, with a few ripped edges.
